Eurobodalla Local Environmental Plan 2012- **B5 Business Development** (as per contract)

Current version for 28 October 2020

1. Objectives of zone

- To enable a mix of business and warehouse uses, and specialised retail premises that require a large floor area, in locations that are close to, and that support viability of, centres.
- To cater specifically for users that require a high degree of visibility and accessibility to passing traffic and that generate a high proportion of single purpose vehicle trips.
- To enable the establishment of a business, technology, bulky goods and light industrial precinct at Surf Beach
- To encourage site amalgamation and creation of a highway service precinct on land at Batemans Bay
- To support the nearby local business centres of Moruya without adversely impacting on the viability of that centre.
