Overall: A quality built double brick and tile home with space for the growing family or those who enjoy entertaining friends and family. The home is designed to have two separate living areas. Downstairs is ideal for your aging parents or relatives as there are no steps and easy internal access from the garage. There is plenty of space for parking your "toys" with the side gate accessing the rear yard. The bird life is amazing, plenty of parrots, kookaburras etc that enjoy the garden, flowering shrubs and trees.

Location: A casual walk down Lamont Young Drive takes you onto a lovely sandy beach or take a drive through the spotted gum forest to 1080 beach. Enjoy the views over the ocean to Montague Island and watch the whales as they migrate (in season). In this area, we are lucky enough to have some of the most beautiful beaches and views on the south coast. A short drive to Narooma and its many pristine beaches, shops, cafes and restaurants. Heading south takes you to the historic Central Tilba village with its many interesting and unusual shops, Cheese Factory and cafes. The Eumun-Tea house in Central Tilba is well worth a visit. Bermagui is a little further south but well worth the trip to see more amazing beaches, natural blue pool, horse head rock, camel rock, cafes and restaurants.
