

Vacant Land @ North Narooma

653m2

It is not easy to find blocks of land in popular areas so we don't believe this one will be on the market for long. Situated at the top of the street with hinterland views and a glimpse of Wagonga Inlet when standing at street level. More water views should be achievable from a second storey build.

Only a short walk to the water's edge of Wagonga Inlet, within walking distance to Bar Beach and over the bridge into the shopping area on the flat in Narooma.

This property is essentially clear with some shrubs around the perimeter fence and large shade trees in front. The land slopes towards the back of the block.

This 653 m2 block is ready for you to build your coastal dream home (subject to council approval).
