"Warbler 28" - Set in a quiet area of North Narooma is this well built three bedroom home in need of renovation to bring it back to its former glory. The views are stunning from the elevated position of the home.

The Home: A ramp leads you to the full length front veranda where you can admire the amazing view up and down the coast. The lounge room is spacious with a built in bar that could be utilised as a home office. The combined sitting/kitchen/dining area gives you space for entertaining and preparing the family meals.
